

DAZZLE

STAINLESS STEEL POLISH

- Leaves a lasting shine
- Non-tainting - suitable for food areas
- Spray on, wipe off product

USES

A ready-to-use stainless steel polish, which leaves a lasting shine and is resistant to finger marks and dirt.

A clear, non-aqueous blend of solvents, cleaners and food grade oils, Dazzle is non-tainting and can be used in food and hygiene areas.

Specially designed to shine and polish stainless steel and other bright metals, leaving a protective finish.

DIRECTIONS

Remove gross contamination if necessary. Spray undiluted lightly onto the surface, then wipe immediately with a lint-free cloth or paper.
