Why Buy NBV240NX

CleanCare

Equipped with our new NX300 36V Battery Technology and 350W digital brushless motor, the NBV240NX is engineered to deliver our most powerful cordless cleaning yet.

Delivering up to 80 minutes of cordless freedom and a 40% increase in airflow and suction from a compact, convenient and versatile design, the NBV240NX is perfect for day cleaning and safe operation in public areas, maximising productivity with powerful and professional cleaning results.

Cordless Freedom

Market-leading 80 minutes of consistent and powerful cleaning performance.

Powerful Cleaning

40% increase in airflow and suction with new, high-performance 350W digital brushless motor.

One Fits All Productivity

The NX300 Pro Cordless Network brings the convenience and performance of professional cordless cleaning across our growing battery range.

Extended Long-Life Power

Made for the long haul, the NX300 Battery won't let you down, engineered and tested for commercial use delivering up to 2500 charge cycles. A 3-year battery warranty provides complete peace of mind for you and your Pro Cordless Network.

Safer Cleaning

With no cable, minimise the risk of slips, trips and falls. Ideal for day cleaning and public areas with high footfall.

Stay Cleaning for Longer

Off-board NX Quick Charge Station recharges to 80% in just 1 hour for unstoppable cordless cleaning.

Great Features for the Toughest Cleaning

Includes tough bumper for wall and door protection, large rear wheels for ease of transit, and professional toolkit.
