

LIONSBOT

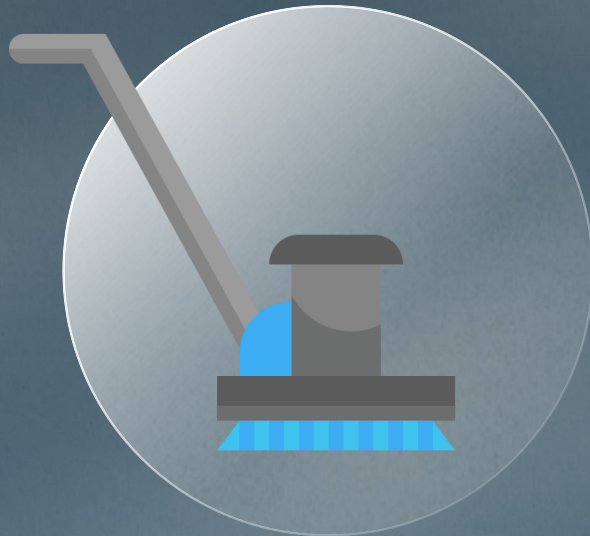

Smart, Serious Cleaning — Reinvented

R5

What Makes A Serious Robot?

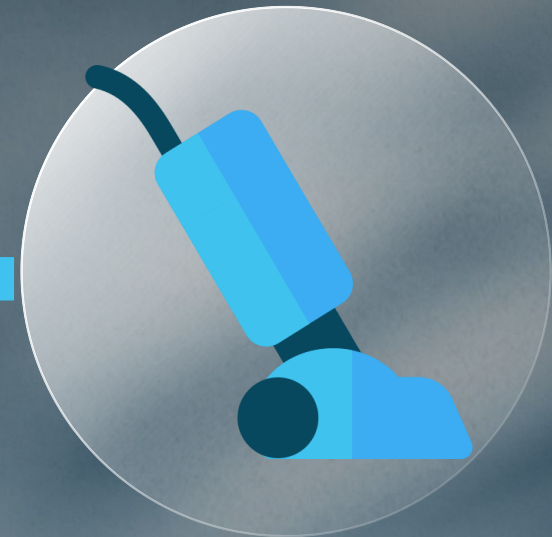

Cleaning power
of a 16" single disc

Water capacity
of a 50L machine

Nimbleness
of a 4L micro scrubber

3 Machines in 1 Robot — Possible?

R5: The Professional's 50L Robotic Scrubber

Power

Capacity

Nimbleness

Serious Cleaning. Period.

R5 cleans harder, faster, drier.

Single Disc
Brush Pressure*

50L
Water Capacity

52cm
Scrubbing Width

80cm
Nimble Turning

5000m²
per Charge**

* Typical pressure for 16" scrubbers: 31g/cm²

** 4 hour clean at 1250m²/h realistic efficiency
Up to 2059m²/h theoretical

Data-Driven Ecosystem

Reports on Demand to Prove your Clean

LionsCloud Analytics
Real-time insights for your fleet.
Detailed cleaning reports prove
your robots' performance,
help justify ROI, and build
customer confidence with
transparent results.

R5 vs The Rest

Spec-for-spec, nothing else comes close.

	LIONSBOT	R5	Gausium Scrubber 50 Pro	CenoBots L4	Tennant X4 ROVR
Dimensions <i>Abmessungen</i> (L x W x H in cm)	69 x 69 x 112.5		81 x 70 x 107	82 x 61.5 x 107.5	96 x 56 x 112
Cleaning Width <i>Arbeitsbreite</i> (cm)	52		46	45	50
Capacity <i>Tankvolumen</i> (Solution + Recovery in L)	50 + 42		30 + 24	34 + 32	38 + 38
Cleaning Pressure <i>Bürstendruck</i> (g/cm ²)	34		30.46	24.36	19
