

## i-vac 5b<sup>®</sup>

Continuously  
easy

# Small in size Big on power

---

The i-vac 5B is a powerhouse machine that gets the job done. A well trusted name in the community, The i-vac 5B has surprised every user with it's proven mobility, design and power. The i-vac 5B is used for offices, carpet cleaning, households, cabinets, wardrobes, and much more.

## High powered engine

High powered motor reaches about 80% (indication) of the suction power that cable operated vacuums use, without the strain of being tied down to one place.

### Canister & more

Egg shaped canister for optimal working in smaller areas and close to body carrying. Lighted on/off switch for easy check over the phone in case of problems.

Detachable powercord.

## Key features

---

### Bag with lock

5 liter bag volume with a lock to avoid dust leakage when taking out the bag. You can choose between a paper bag, or a microfiber bag.

### Integrated tool holders

All of the accessories and necessary equipment supplied with the machine can be stored on the machine.

### 3 piece wand & flexible hose

Double extrusion for extra stability at both ends, as they are the most stressed areas.

### Carry-on everywhere

A sturdy and ergonomic main handle provides a freedom of mobility you haven't experienced before. The i-vac 5 goes wherever you go!
